Men and Women Euro Tour Treviso Italy - COVID Restrictions

EPBF

Euro Tour Covid restrictions ET Treviso

4/8/2022

1. Travel restrictions:

Entry into the national territory of Italy is allowed under the following conditions:

- Passenger Locator Form (form for locating the passenger) before entering the national territory (connect to the website: <https://app.euplf.eu/#/>)
- presentation of the COVID-19 green certification, showing one of the following:
 - a. that the anti-SARS-CoV-2 vaccination course has been completed
 - b. that you have recovered from COVID-19 (the validity of the certificate of healing is 180 days from the date of the first positive swab)
 - c. negative result of an antigenic swab carried out in the 48 hours before entry into Italy or of a molecular swab carried out in the 72 hours before entry into Italy.

2. Covid-19 restrictions at the hotel:

Wearing of Face Mask is needed at all times in the hotel, only when sitting down in Bar, breakfast or dinner mask can be off.

3. Covid-19 restrictions to participate at the ET event / entering the venue:

Participation and access to the venue is only possible with:

1. “EU Covid Green certification showing:”
 - a. that the anti-SARS-CoV-2 vaccination course has been completed
 - b. that you have recovered from COVID-19 (the validity of the certificate of healing is 180 days from the date of the first positive swab)

Participation at the ET is only possible with a valid “Green Pass” vaccinated or recovered (max. 180 days ago). It is not possible to participate with a negative test only !!!

Before entering the venue you will be asked for proof of “Green Pass”. Please make sure that you also have a proof on paper, this if the “Green Pass” app doesn’t work.

- Wearing face masks is needed during the whole time in the venue with exception of the athletes who are playing their match. If an athlete leaves the table, he / she have to put on the mask right away.
- EPBF staff are allowed to leave the mask off during work in the venue or hotel. If they leave their working spot, mask must be worn.
